BRAND-IN-ONE UNIVERSAL AIR-CONDITIONER REMOTE

Product introduction

Brand-in-one universal Air-conditioner remote adopts coding technology which is invented by our technical team. No need setting, and it can control all Air-conditions of one appointed brand, after insert batteries. It is the best choice for you to purchase remote control for Air-conditioners.

How to use

1. Insert two "AAA" (UM-4, R03) batteries, then you can use it.
2. If a few functions are unable to use, please aim the remote at the A/C, press the "SEL/SELECT" key and hold it, release it as quickly as A/C sends buzzer sound. Then it is OK.

Notes

* If have 4 keys for TIMER.

TIMER OFF: Setting timer off after you turn on the A/C. Press "UP" and "DOWN" to adjust the time.

TIMER ON: Setting timer on after you turn off the A/C. Press "UP" and "DOWN" to adjust the time.

* If only have 1 key for TIMER.

TIMER KEY: Set timer off when A/C is on, and set timer on when A/C is off. Adjusting the time by pressing TIMER, It is one hour for each pressing and time range is between 1-8 hours. If you need to cancel the timer, press the key one more time when the timer reaches 8 hours. Then there is no time displayed on LCD.

NOTICE: After finishing the timer setting, you have to let the remote aim to the A/C.
